COCKBURN WIN IN CLOSE FINISH

After a grossly one-sided set of opening fixtures, the W.A.F.A. competition came back on a more even keel in the second round.

The highlight of the round was the exciting clash between Southern Port-Hamilton and Cockburn at Davilak Oval.

Southern Port maintained about a three goal lead during the first three quarters of the match, and appeared to be cruising to a comfortable win. But Cockburn produced an outstanding last quarter and narrowed the margin to just five points.

However, Southern Port answered the challenge and again kicked away from Cockburn in the closing stages of the final quarter to win 15.16 to 14.11.

In the other matches Melville showed that they are going to be one of the top sides in the competition this season with a solid performance against Belmont.

After an even first quarter, Melville slotted into top form and cruised away to win by 15 goals.

Swan Valley had a desperate struggle in their contest with arch rivals in Midland. However Swan valley finished too strongly for Midland and eventually won the match 16.15 to 14.12.

Cont'd from Page 1

Swan Valley have a bye today, while Midland face yet another difficult encounter, this time against Southern Port-Hamilton at Midland Oval.

Southern Port showed last week that they can withstand pressure when its applied and if they can maintain their recent form should have no problems accounting for Midland today.

Mosman Park, who started the season in sensational style against Midland, return to competition today after a two week lay-off. Mosman Park are certain to be up near the top of the ladder at the end of the season and they will

make things very difficult for Belmont at the Tom Perrott Reserve today.

Belmont have suffered two heavy defeats in the first two games of the season and its unlikely they will be able to bounce back and upset Mosman Park.

The match of the day is between Melville and Cockburn, at Melville Reserve. Cockburn went within a whisker of snatching victory from Southern Port-Hamilton two weeks ago and will provide much stronger opposition for Melville than Belmont did in the second round.

Training Starts To Pay Off

Much improved performance by both teams and although we had two losses it showed that all players are getting to know each other and are willing to help.

In the Reserves a good return to football after injury by Glen (Snowy) Bruckner for a third best in the side. "Puddin" Head put in a good show for second and Captain Andy Meyers took off the award for best afield on the day.

In the league a tough encounter with Melville saw Greg Thomas and Trevor Hicks taken to hospital, we all hope

their injuries don't take too long to mend. All players put in a lot more effort last week, the training must of done some good.

Best players for the league were; Maurice Patante, Johnny Dimmer, in his league debut, Gordon Chadd, also in his league debut and Dave Sims

It was disappointing to see only 3 or 4 Melville people stay back for drinks after the game. regardless of the outcome of the game its an important part of raising funds for the year as I'm sure they are aware.

Eagles Are Determined To Get It Together

Last Game all our teams were brought down to earth in being defeated by Southern Port-Hamilton. However a loss in each grade at this stage of the season should not discourage our players too much. All coaches were pleased with their teams but said players still needed concentration and confidence in order to play a full four quarters of football. There is a tremendous amount of football talent at the club this season and when they "get it together" it augers well for the year.

Our colts took to the field with only 15 players and performed very creditably. With more players returning this week we should see a stronger side and have the numbers to carry them through the season.

Congratulations go to Roy Koeberl and his wife who are another couple in the club who are expecting. Roy is just starting to hit the type of form that made him well known as a champion Full Forward with Cockburn Ex-Scholars and Fremantle Football Club.

A story going around the club at the moment is that Roy once kicked eleven goals for Cockburn Ex-Scholars when opposed to present coach, Garry Stewart!

Our President would like all members to welcome Ian Hale into the club. Ian has a vast amount of experience as a club administrator, and he is a welcome addition to our Club's committee. He was recently appointed to the Committee as a Committee member.

All members should by now be aware of the clubs Cabaret which is to be held at Beale Park on Friday 4th May 1984. Tickets can be purchased from Dave Kay or Deanna Northan, for what should be a very enjoyable night.

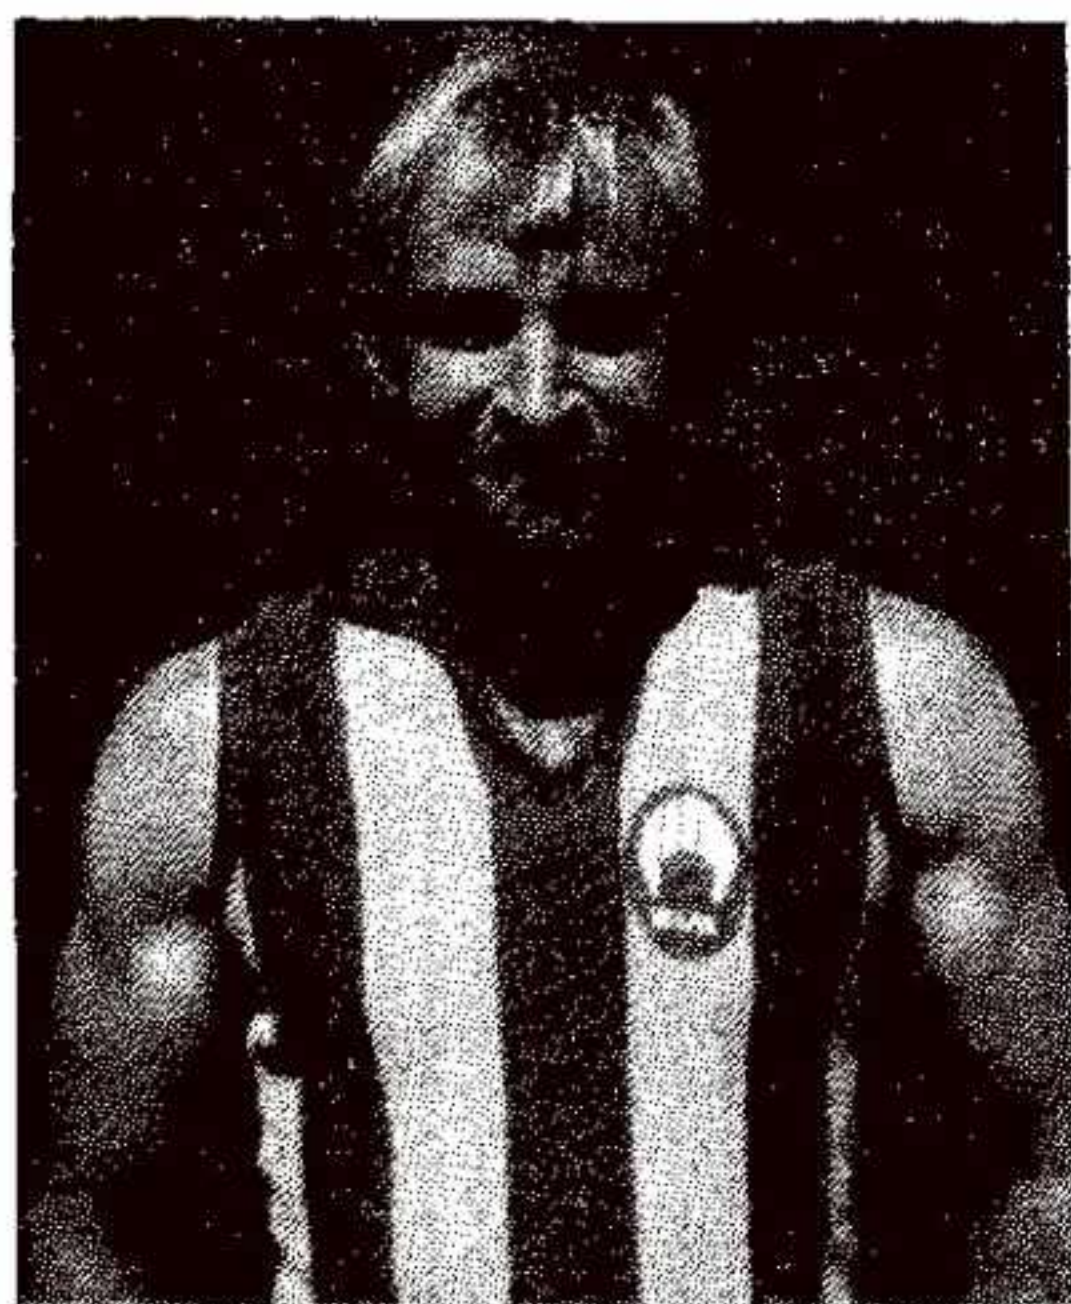

Today we play Melville, who we have had close ties with in the past through the likes of Melville members, Barry Miguel and Len Glamuzina.

Never the less all teams will be striving to beat Melville in order to consolidate positions in the top four of the Premiership Ladder.

Three teams in the four, in '84.
EAGLE EYE.

Eds note! Sorry but can't fit all in this week due to the amount of copy.....

Many thanks for the pics. Rest assured we will use them whenever we can.

Rams Record 3 Wins

Yes it's time Melville have emerged from the primeval slime and recorded wins in all 3 grades. The last time this treble occurred Geoff (Slug) Searle had hair and Lindsay (Bull) Lamont was wearing "small mens".

No doubt Kim Davies and his Band of Colts are disappointed at the complete lack of competition in this important grade. Look on the bright side though, Kim, at least they won't they won't go stale and nobody has to wash the jumpers. Special thanks to Kim and the Colts who stayed on and made themselves available for the reserves match. This shows that these people have the club at heart or alternatively they have nothing else to do on Sundays.

The Reserves look set for a good year. Youthful exuberance sprinkled with years of experience sums up this team. New players Alan (Hicky) Godfrey and Eddie (Stitches) Cook performed well. Weight watchers and Pat Davies are believed to be interested in using the Captain, Vice Captain and D.V.C. for promotional work.

Tony (Manuel) Micale steered the League to a resounding win in his first-up performance as Coach. The victory was all the more meritorious when you consider that he and Nipper Truscott were both unavailable. Added to that the acting Captain, Stewie (the claw) Cole had to leave the field for a manicure before halftime and Gareth (Tiny Tim) Steward put in a performance that at times went from the sublime to the ridiculous. I'm sure the Rams fans would rather see more Brilliance and less kisses.

Hecklers! Please note - Contact Kevin Santich or Phil Harvey for details of forthcoming self defence seminar. The seminar will be conducted in English with Italian translations available in the foyer. A must for this season.

Remember Rams we must continue to win and let there be no more butts about it.

On the social side get your tickets for the cabaret - remember its on next Friday May 4th at the Melville civic Centre. Also keep tuned in here for more good news on our club functions

PLAYER PROFILE

**GREG COYNE — COACH
MIDLAND FOOTBALL CLUB**

Greg is in his first year as coach and played for Midland last year winning runner-up to Fairest & Best award at the club. He won even when he missed several games with a broken ankle, and that speaks volumes for his tenacious attitude to his football.

Married with two children Greg lives locally and is a truck driver. From Victoria Greg played in the V.F.A. with Port Melbourne club before coming to Perth.

Players are responding well to his training methods but the club lacks the depth in senior ranks and this year he sees as one of improvement and experimentation. Basically he wants the team to regain their desire to give all, all the time and of course to learn how to win....

Umpires Corner

BY G. ROWE

After two weeks the umps have been pleased with the standard of football. However, bad language is still a problem and even some coaches are not immune, especially at ¼ and ¾ time. Remember your attitude sets the standard of conduct for your team. All umps are reminded of a meeting next wed after training at the WACA.
